

## Air Queen Nanofiber Filter Breeze Mask (White)

### AIR QUEEN NANO Mask White

+ Scented Sterilior to disinfect hands and masks 99.9% against viruses.

- When it comes to quality, performance and breathability, the fibre nanoparticle filter - from AIR QUEEN - offers strong protection with high filtration and ventilation efficiency. It is Lightweight and ergonomically designed for optimal fit and comfort.
- Produced by AIR QUEEN, which specialises in the manufacture of masks: Using a high quality filter created by the company's innovative technology.
- Internationally recognised for its excellent technical capabilities as a manufacturer of nanotechnology textiles.
- Comfortable 3D design: The nose to neck have been completely covered and efficient inhalation of soft dust has been prevented by the adhesion structure as it shows high stability when worn.

### AIR QUEEN MASK:

- Three layers of nano-filter mask for protection. Each layer provides 100% protection against the viruses.
- Strong breathability + High humidity control + Practical and comfortable for the nose + Comfortable nylon ear loops + The masks are made in South Korea.
